Two re-enactment societies will once again mount displays on Ribchester Playing Field on Saturday 8th and Sunday 9th July 2023.

Meet legionaries, cavalry and Roman citizens face to face as the Roman Military Research Society and Equestrian Society march into *Bremeten-nacum Veteranorum*.

On show will be exciting military displays, including the firing of artillery, archery and the Roman cavalry, along with colourful demonstrations of everyday life. There will be opportunities for children to dress up in Roman armour and our famous Roman snacks will be available.
